Then they brought dates and he began to eat them, placing the stones between his fingers and holding the index and middle fingers together. Then they brought him alcohol and he drank and then passed it to the person on his right. My father took the reins of the horse and said, pray to God for us. Each person must present their own request. In Sunna it was reported that it can be said that Allahuma Baarik Lahum Fima Daktum Wagfir Lahum Barhamhum (about Allah, blessing the reign you gave them, forgive them and mercy on them) Aftar â Aftar â Aftar â Aftar â Aftar â Aftar a Ad-Daa Ima, 24/189-190, followed by the second: Al-Fatikha recitation and a special connection before meals, al-Fatikha recitation before meals, and a declaration that the prophet (peace and blessing of Allah be On it and welcome) I read this praver before eating is an innovation for which we do not know the reasons in Islam. It is not known from his Sunny or he (let him rest in Allah's peace and blessing) raised his hands in prayer or recite Al-Fatiha before or after eating. That is why you should abandon this innovation and settle for what is said in Sahih Sunnah and rely on the books of famous scholars who can distinguish the reliable (Sahih) Hadis from weak, weak and inaccurate. Poor, weak, weak and weak and weak and what is Sunna what innovation is. You must also encourage people to do the same and warn them of updating. Introduced in Islam.
