Cut, plan, shape, join and polish the 800 pieces of wood in the 32-foot oval mahogany table around which AT&T's power brokers are located. Castellucci went to work. Finally, the outline of a metal plate emerged in the head. 500 company.\* Two executives of L. "It was the rebirth of our company", says Castellucci.\* Most of the \$56 million companies would be thrilled if they were courted by a rich suitor like AT&T. Roussel Inc., John Pollis, had made bronze sculptures for Nelson Rockefeller and supervised the task of removing the concrete inside the Henry Moore figure of Reclining at the Lincoln Center for the Performing Arts. Roussel demanded about \$100,000 for his share in the charter facelift, about one-tenth of the company's annual sales. For two days, Pollis clung to a scaffold 40 feet high, 450 feet above the road. But the task of shaping molten brass proved so formidable that more pieces ended up in the garbage dumpster than on the trucks. The banners in the employee dining room are made of Chinese silk, the walls of the executive dining room are made of Italian leather. The architects of the new AT&T building wanted to buy as much pink granite as Castellucci & Sons Inc., in Providence, had pulled out of its Connecticut quarry in a decade ä and all for a building. Vaughn Co. flew to West Germany to find the rare, honey-colored Burmese teak specified for the raised panels on 350 doors. Sauer never advertised AT&T. As the corrosion splintered away under the gold leaf, he forced himself not to look down. Brown, is slightly asymmetrical at its ends to guarantee it ample space. After five false starts and an investment of \$100,000, his engineers devised a perforated steel ceiling panel and 75-pound vinyl that met AT&T's requirements for aesthetics, flexibility and sound absorption. In 1979, the Chicago Extruded Metals Co. firmÄ? signed a contract for approximately \$200,000 to produce more than 1,000 pieces of architectural bronze used in the id etneiciffus oreum nu ad otazerppa otats "Ä scitsuocÄ lairtsudnl rep ngised ovoun II "Ä.ittiffos i enart eromur led ollortnoc len ottut erafÄ Ätivitta aus al ehc irotatsiv ia 'Äip ecid non nrohcsrIH E .P retlaW ,adneiza aus alled inaigtra ilG .kroY weN a .,oc scitsuocÄ lairtsudnl al noN .atuttab id endiroällen otsof eraibmac o enoizisop anu id 'Äip eracoig ,eriploc id onatuifir is irotacoig iuc i A eires id llabasab id ardaugs anu opmac ni erettem a elimis otipmoc nu "Ä kroY weN id oleicattarg nu erurtsoC .C id etnediserp eciv emoc inna otto ious i etnaruD \* .enacirema Ättic ilapicnirp ellen muimerp iciffu ilg rep etnerroc ozzerp led oippod li -- otardauq ortem rep irallod 002 acric orevvo ,elartnec edes aus al rep irallod id inoillm 002 oseps ah T&TAÄL \* ,oilgem ecesnoc ehc "Äic a atanrot "Ä de otacrem ovoun la otacinunir ah adneizaÄÄ .Ä.ötulov ommerva emoc eneb "Äsoc ottaf omaibba non ortec idÄÄ .inoissucsid id isem evon otalleggus ah ehc ortnocniäl adrocir ,ÄÄelibidercni "Ä ,omaillaf es ,oidÄ :otasnep oHÄÄ .eserpmi elocipp onare ilauq ied etrap roiggam al ,irotinrof e irotatlapabus 051 id e irotatlapa idnary id enizzod ert acric id oroval li erandirooc rep otattol onnah oneip opmet a lilde irotterid ert enifni e ,eud top ,onu amirP .inna 46 rep T&TAÄlled elareneg reitrauq oihceev la amic ni atats are ehc etallennot 01 e ideip 42 atla atala arugif al erallethams rep odom nu odnacrec avatS ,isse id itardauq ideip 000.523 onemmen -- ittiffos ottaf ah non ehc T&TA otamrofi etnemadder eH ,etnaciffret "isoc otats iam are non ocitsira oruatser li aM .CNI nu id eidem etidnev ella ottepsir 'Äip ni %96 li -- irallod id inoillm 52 id 'Äip T&TAÄlla avatsoc artoip al ,erihbil 000.7 id osep led inucla ,otinarq id izzepp 000.06 odmailgat inna ert rep iggapiuge ious i eraroval ottaf ah E.etnedeserpp onnäalled etidnev elled 'Äip ä erutazzerta evoun ni irallod id enoillm 1 otitsevni ah ,ivitaroced iroval irtla ni e elapicnirp ossergni with 25 employees and a first-year revenue of \$4 million.\* AT&T spent \$5.5 million on teak coverings, doors and finishes in building Wozniak was to start Apple.Apple ottethicra ottethicra'l noc erotilgoccar li erassap a otarapmi onaveva non idnary 'Äip edneiza etlom ehc otarapmi ah odnauq nrohcsrIH nitram id etnediserp led etnediserp led esseretni'l otinu ah oroval li ,aivattut ,jdrat 'ÄIP .tneitsiser icitsuca imelborp odnevlosir adneiza aus alled enoizituper al oturtsof aveva nrohcsrIH e ,otazzilanosrep ngised nu onodeihcir ittiffos I .etnediserpcev nu ,nosrednä sivaD itnemal i ,"eliciffid otlom otteppur nu otats Ä" .T & TA ocicidfe'llus eraroval rep oizitidder otavort onnah ol eserpmi elocipp el ettut noN \* .%05 led ffats ous li odnatnemua ,T & TA ottegorp li rep olos irotaroval 57 otussua ah adneiza'L .tset idnary 'Äip ious ied onu ebberas otseuQ 'Äip id enizzod a eratrof a otubirtnoc ah T & TA ottartnoc led oigitserp li ,eruinimid a otazini etnemlanif ah oroval li odnauQ ,onamrib kaeT elif idamrÄ ovitucese'l ,ocrut xyno onos erosneca'llled ilennap I \* ".osotsof 'Äip etlov eud e eraf ad eliciffid otmat etlov eud are" ,reuaS ecid ,ehc .oc elibaiggapiuge atiy enoizarcussa'l rep aznerfoc ad olovat nu otanimret etnemetnecer ah :idnary 'Äip esoc a atirefsart "Ä is aingapmoc aus al aM ,adarts al rep ebmag el e aiccarb el ,ila el ,osrot li ,olloc li ,atset al erassabba rep emaitras id erutazzerta id etallennot 61 otasu onnah irotaroval i ,inollub i otatnela reva opoD .ottut noN "erednecs a aunitnoc esoc elled Ätilauq al" ,reuaS itnemal ,arO .ocicidfe'lled oiaccia ni arurttrts allus iggatnom ia noimac iad otinary li eratsops a olos itatrop eresse onavevod itarapes itacacnis orttauq ad irotaroval i ehc otalupatis ah ottartnoc II .cni
