It is mixed-race and grown between U.K. and Malaysia. [1] It is of the Malaysian descent on the part of his mother and spent a lot of time growing. [1] Ngan says that his multicultural education has helped to write different stories. [2] Ngan has always been interested in intercultural relations, which appoints as one of the reasons why he studied geography at the University of Cambridge, specialized in cultural geography. [3] [4] There, he developed for the first time the idea for what would become his debut novel, the elite. [5] After graduation, he started working for a social media agency in London. [5] [6] In addition to writing, he is also a fashion blogger and teaches yoga. [1] [5] His third novel, the girls of paper and fire, is inspired by his Chinese-Malay heritage. [7] He currently lives in Paris. [8] The Ngan career is represented by Taylor Haggerty at literary root. [9] Standalones His debut novel, the elites, was published by hot key books in September 2013, on a teenager who must protect the city as a warrior due to his genetically superior DNA. [10] NAME NAME 2001 PRENOTARE the deadly engines of Philip Reeve and the works of writers Patrick Ness and Paolo Bacigalupi as some of his influences for the novel, because of their "original" and "2] Infectious settings. [2] A second novel, memory memories, on a London Futuristic where memories are valued and following a boy who steals memories and sells them on the black market. [11] It was published in 2014, also by hot key books. [12] Ngan had the idea of writing the novel during a family holiday in Seville, where he found himself able to contain memories and turn them again and again, a concept that eventually served as a basis for the premise of the novel. [11] Girls of Paper and Fire Series His third novel, girls of paper and fire, the first in a trilogy with the same name, is set in a world where a demon king chooses between eight human concubines and two of them, she and scribe fall for each other. [13] [14] Ngan says that the first spark of history originated from the idea of wantingof two courtiers of a demon king who falls from each other instead of for him. [15] The novel addresses topics such as sexual assault, homophobia and the commodification of women As a survivor sexual abuse, Ngan states that it was important for her to deal with topics in a sensitive way, in order to prepare the boys for the world and not to repair. [1] It was published by Jimmy Patterson Libri in November 2018. [7] Girl of paper and fire debuted in the New York Times Bestseller list. [16] The second novel of the series, The Girls of Storm and Shadow, resumes exactly after the events of the first, followed Lei and Wren as they travel the kingdom to get favors from rebel clans after the assassination of the King Demone. [17] The girls of Storm and Shadow were released in November 2019. [18] The last and final novel, The Girls of Destiny and Fury, is scheduled for publication in 2021.
