That is, the ignou re-entry plan is now completely closed by the University, therefore, candidates can not request the validity extension for any of IGNU programs. The extension also applicable to those students who validate the validity expired at the June 2021, December 2020 and June TEE of 2021. You can verify the full rate of the program or the prior fees by the base pro-rat. Removal of the ignou reedheence scheme according to the date notification on October 6, 2020, is to inform and notify all IGNU students that the University has decided to withdraw the installation of re-entry for all academic courses of ignou A from now on. Candidates have to pay their rates based on the pro-rated rates structure decided by the University. Enter the full name and the complete address without any error, since it will be printed on your result and dial the correct email address and the phone number for better communication for any news and announcement. Enter the program code for The one that is registered (Note: Enter correctly code of the program) Enter your previous registration number that provides the university at the time of taking the code of the Regional Admission Center in the place where the Readmission Form is also sent © N, write the Study Center in which a support network for students works under the Regional Center describes the complete list of all the subjects in which it wishes to obtain readmission (if some of the subjects are incomplete) describe the AA ± OR the semester (if the complete semester or the year) calculate and write the full rates (pro-rat rates) DD DD fees of admission if you do not want to visit and a form of restart 3 IGNU regional center, you can download easily from below link: click to Download the Ignou 2022 3 form A³ where to submit the Ignou 3 form? Instructions and procedures for the reinvestment 3 IGNU 2022 If you are already downloading your readmission 3 website or picked up from the IGNU authorized regional center then follow the instructions below 3 fill out your form correctly. IGNU Re-Admission 2022 Extension Update IGNU has published the October 27, 2021 circular that indicates that the university has extended the validity of the readmission duration 3 for those candidates whose enrollment 3 expire in TEE June 2021. Currently, the most everything on the line is not available for readmission³ so candidates have to follow the procedure outside of the box to obtain the benefit of the readmisi service 3 n. The examination and study procedure will remain the same as the non-regular admission procedure so that 3 can take the exam and obtain a results of their course with regular students. Benefits of Re-admission³ in IGNU Benefits for those students who were unable to complete their program because they were unable to spend time preparing 3 Workers who were unable to complete their program within the maximum length of time after having accepted admission 3 IGNU Candidates have no need to start their studies from the starting point, as they can continue from where they left their studies. Admission 3 IGNU Re-Admission 3 Validity Programs DuraciA 3 n Re-AdmissionA 3 Validity Teacher Program (Except MCA) 2 Years 2 Years Bachelor Program (Except BCA) 3 Years 2 Diploma / PG Diploma and other programs of a 1 Year + 1 Certificate Course 6 Months 6 Months How 3 Request the readmission 3 IGNU Re-AdmisA 3 nÁ 2022 ÁcA 2 IGNU University has a facility to offer readmission 3 those students who do not complete their program in the maximum 3 of time. Please read our instructions carefully before filling out the readmission form 3 without making any mistake. Candidates must go through the section 3 updating extensions 3 to More about the validity extension for particular programs. Candidate candidates to complete the program in the fixed/valid duration given by the university otherwise your admission will be declined and no second chance will be given to the students. Candidates can take re-admission easily in any of the programs or remaining year in IGNU and can complete their incomplete course. Re-admission for June Exam is valid till 20th June while 20th December for Dec TEE. Now, the university has decided to further extend the validity of IGNU Registration for those students to December 2021 so that the students can complete the submission work for various components like their pending project, assignments, Dissertation and other components to complete their courses. You can download the readmission application form from this page and it is also available at every regional centre of IGNU. IGNU.
