Maggiori informazioni Amsterdam si sviluppa secondo una serie di canali concentrici e radiali che le conferiscono un fascino unico. Una volta arrivati in qualsiasi città è la prima cosa da sapere e sicuramente cosa e dove vedere: e cosa può essere utile di una mappa di Amsterdam? Al suo interno troverete una maestosa collezione che conta circa 17 mila cimeli, un milione tra stampe e disegni, 30 mila tra sculture, ceramiche e oggettistica e circa 5000 quadri tra i quali spiccano quelli degli artisti famosi come Vermeer, Steel e Hals. Il Museo Van Gogh Vondelpark e Piazza Rembrandt Sempre guardando la mappa di Amsterdam, a poca distanza da questi due splendidi musei c'è Vondelpark, il parco cittadino più grande e più frequentato. Tra un museo e l'altro potete ristorarvi qui sorseggiando un drink nei vari caffè o respirando l'atmosfera rilassata di questa capitale. Partiamo dalla Stazione Centrale: qui arriverete in treno dall'aeroporto Schiphol e vi ritroverete immediatamente nel centro della città. Qui potrete visitare il Palazzo reale e la Chiesa nuova: il primo troneggia in tutta la sua imponenza sulla piazza, con la sua facciata in tipico barocco olandese (visitare anche i meravigliosi interni); la seconda è oggi un edificio dove si tengono eventi culturali ma all'epoca della sua costruzione era la seconda parrocchia della città, danneggiata e ricostruita per tre volte a causa di vari incendi. Per scaricare le mappe, cliccate con il tasto destro del mouse e salva con nome. Il Museo Van Gogh ed il Rijksmuseum Una tappa imperdibile nel tour della capitale olandese è poi il Museo Van Gogh che si trova in Piazza Museumplein (entrata in Paulus Potterstraat 7).
