It is a real-time strategy (RTS) game developed by Fun Games for free. In this game, the player should try to destroy the opposing castle with different units in epic battles. You must stop the enemy army from destroying your castle. In Castle Crush, lead your army to victory to destroy the enemy's castle with the most experienced units! As a player, you must clearly define your strategy and choose your fighters carefully. Among the soldiers, you will have archers who will kill you with arrows from a distance, as well as a huge dragon of great size that will spit fire at your enemies. Download Castle Crush and make the difference between defeat and a huge victory. Epic magical battles! Castle Crush is a great multiplayer strategy game where you can play with a friend and enjoy fighting enemies. In the game, the main objective is to defeat other armies and destroy their castles while avoiding destroying your castle. To keep the game exciting, there is a feature that allows you to discover and unlock new powerful spells, monsters and warriors. This way you will defeat every army and destroy its castle. The main objective of the game is to face the inhabitants of different castles in epic magical battles. To make things easier for you, you have everything you need to defeat other armies. From high-end weapons and armor to monsters like a giant dragon and a graceful dryad. You can also use new items to fire the trebuchet, such as Greek fire, jars full of electric eels, ice grenades, and even a mysterious purple bottle that creates a small black hole. With everything at your disposal, you can eliminate all the inhabitants of the castle and raze it to the ground. As you start playing and winning through the different levels, you'll earn trophies and climb the global leaderboard. Download Castle Crush now and make epic magical battles your blooming space. a place to sleep Castle Crush has amazing features that make it stand out as one of the leading epic fighting games. Here are some of the most interesting features to look out for in the game. The combat section of Castle Crush divides the battlefield into three sections where you can place the bulk of your highly trained soldiers. As in Clash Royale and other Clash Royale games, a card with a specific MANA value represents each of your units. It is worth noting that each unit has its own lives and a certain type of attack. The game offers a strategic and addictive combat system that you must win in order to advance to the next level. HD clarity. Needless to say, high-definition animation has taken the gaming space by storm. Most developers these days create games in 3D and HD environments. Thus, the games are the best creations with HC clarity. Unfortunately, the combination of the deckbuilding system with the simplistic MOBA gameplay has resulted in hundreds of clones, copies, and obscure homages appearing on the platform. However, a selection of video clips taken from the game can help players separate the wheat from the chaff! Download Castle Crush today and enjoy a clean interface. Powerful units and monsters - in this game you can choose your tactics and fight against the best opponents you have! Of course, this is a strategy game where you have to have the best strategy to defeat your opponents. You will participate in battles with players from all over the world. Dryad - superhero, dragon and super talented soldiers are at your disposal. Luckily, you can collect gems and money to upgrade over 40 soldiers and spells. Exciting battles - in the castle you can enter the arena and fight other players in epic and exciting battles! The fight can be tough at first. But as you continue, you will notice that you will need to prepare a specific strategy in order to win this one. the game! Once this is done you can start the battle, place the warriors on the battlefield and destroy all the enemies. You have even more to protect your castle from destruction as you also guard the walls of the citadel where your country's most important secrets are hidden. weapons and armor. As a fan of this great fighting game, you should know that you can't win without the best weapons and armor. This means that you have to equip yourself with the best and strongest weapons compared to your opponents. Luckily, you get free gems every time you level up or collect gold from chests and unlock the best weapons in the game.
