Valentines High School is a non-denominational, co-educational secondary school with sixth form in Ilford, Essex. Founded in 1901, the school opened a new sixth-form centre in 2007. Applicants require a teacher recommendation, transcript and universal assessment scores. There is robust monitoring of teaching and learning, with leaders at all levels involved in the process. It shares a campus with Rincon High School, where University High School students may attend extra classes. There's also an emphasis on career training through shadowing and internships. STEM stands for science, technology, engineering and mathematics — the foci of this International Baccalaureate World School in Downingtown, Pennsylvania. The top 10 high schools in the USA are some of the most exclusive. But a gifted or talented identification might suffice. Thomas Jefferson High School for Science and Technology For any kid looking to excel in a STEM field, there's really no better high school in America, reports The Best Schools site. This status allows the school to offer professional development to other schools in the area, as well as providing high-quality training for its own staff. That goes without saying. MORE FROM QUESTIONSANSWERED.NET The Valentines Sixth Form combines academic success with personal development opportunities. Applicants (with teacher recommendations) are required to undertake preparatory courses, submit an essay and attend an interview at the Academy. International Academy Another International Baccalaureate (IB) school, Michigan's International Academy focuses on English, the arts, humanities, education and a second language in addition to STEM subjects. To enroll, applicants must pass the Cognitive Abilities entrance exam with a qualifying score and have an acceptable GPA for the past two semesters. Design and Architecture Senior High School Miami's design-focused magnet school has an economically diverse student body. Help Center Overall scores for nearby schools are shown. But its varied curriculum also includes the arts and humanities, as well as sports. Refreshingly, something like 40 percent of those enrolled come from disadvantaged backgrounds. Students are also required to complete 60 hours of community service. Liberal Arts and Science Academy High School This Austin, Texas institution attracts some of the most advanced students from the local area. Teachers aim to help students develop into happy, educated young people with the desire and drive to succeed. Its curriculum is rooted in the Socratic Method of teaching, emphasizing debate and critical thinking even (or especially) when it contradicts the teacher. Hover over the circles to see school names; click on them to go the corresponding school pages. Pupils also benefit from a drama studio, a music room and a set of new science labs. Applicants are selected by lottery. Stanton College Preparatory School IB institutions often appear among the top 10 schools in America, and for good reason too: They have to meet world-class standards. There are also plenty of clubs. Carnegie Vanguard High School Another Texas high school, this one in Houston, Carnegie Vanguard boasts a 100 percent Advanced Placement (AP) pass rate. This Blue Ribbon School of Excellence in Jacksonville, Florida boasts a graduation rate of 100 percent. University High School University High School in Tucson, Arizona is specifically geared to preparing students for college. Headteacher Richard Laws Values and vision At Valentines High School, traditional values of discipline, respect and good behaviour are combined with leading-edge practice in teaching and learning. Ofsted report "Performance management is highly effective. Our A Level pass rate is outstanding, with the vast major... Courses are project-based and collaborative, preparing students for academic or professional research positions. The school is keen to develop its middle leaders and they, like other staff, really appreciate the opportunities they have for further professional development." View Valentines High School's latest Ofsted report Located in the eco-friendly city of Alexandria, Virginia, TJHSST covers a variety of topics, including artificial intelligence, quantum mechanics and marine biology.
